Clearswift Values

Show *passion* in what we do, drive for *innovation* in everything we do and continuously *collaborate* to make a difference.

The Role

The role of the Field Sales DACH will be to generate a pipeline of opportunities and close the sales of all Clearswift solutions in this market. Focus is on existing and new customers with 1000 and more employees. Also the management of Gold and Focus partners in the defined region.

Key Responsibilities

- Build a territory plan to identify target accounts in the region and actions to drive business in these together with our marketing and sales development teams as well as with our partners
- Identify and engage with the relevant customer contacts to generate interest on our solutions
- Engage with our existing partners to find new opportunities
- Detect potential projects for Clearswift solutions and build pipeline
- Document opportunities in SFDC and forecast sales results accurately
- Bring opportunities to a closing in order to hit individual yearly sales quota
- The region is “Switzerland”.

Skills Profile

- A good knowledge of the Swiss market and their IT needs, regulations and processes.
- Good experience of selling cybersecurity to this market
- Experience in having successfully grown the mid-market business for other IT vendors or resellers
- A minimum of 6 years’ sales experience, of which at least 3 selling IT Security to Government organizations
- Proven experience in repeatedly detecting, working and closing deals above £50K (annual subscription bookings) in the sector
- Strong written and verbal communication
- **French language skills would be a plus!**

Personal Characteristics

- Relish challenges and adaptive to change
- Proactive / 'Can do' attitude
- Accountable
- Robust personality that finds solutions to problems and can influence others to accept a different point of view
- Ability to manage priorities across the territory on a daily basis
- Effective time management

Other

The role requires constant on-site meetings with potential clients and partners around the country.
